

# OUR COMPANY

Created by Godrej Properties and Pelli Clarke Pelli Architects, Godrej One is our new global headquarters at Vikhroli in Mumbai. The name is symbolic of the convergence of several Godrej Group companies under one roof for the first time. It also draws from the fact that this is the first unit of The Trees, our larger redevelopment plan for Vikhroli.

Godrej Consumer Products is a leading emerging markets company. As part of the 119-year young Godrej Group, we are fortunate to have a proud legacy built on the strong values of trust, integrity and respect for others. At the same time, we are growing fast and have exciting, ambitious aspirations.

Today, our Group enjoys the patronage of 1.1 billion consumers globally, across different businesses. In line with our 3 by 3 approach to international expansion at Godrej Consumer

Products, we are building a presence in 3 emerging markets (Asia, Africa, Latin America) across 3 categories (home care, personal wash, hair care). We rank among the largest household insecticide and hair care players in emerging markets. In household insecticides, we are the leader in India, the second largest player in Indonesia and are expanding our footprint in Africa. We are the leader in serving the hair care needs of women of African descent, the number one player in hair colour in India and Sub-Saharan Africa, and among the

leading players in Latin America. We rank number two in soaps in India and are the number one player in air fresheners and wet tissues in Indonesia.

But for us, it is very important that besides our strong financial performance and innovative, much-loved products, we remain a good company. 24 per cent of the holding company of our Group is held in a trust that invests in the environment, health and education. We are also bringing together our passion and purpose to make a difference through our 'Good &

Green' approach to create a more inclusive and greener India.

At the heart of all of this, is our talented team. We take much pride in fostering an inspiring workplace, with an agile and high performance culture. We are also deeply committed to recognising and valuing diversity across our teams.
