Better negotiations on combined aerosols volume and palm oil derivatives

Radical simplification

Rationalise non-core and low margin SKUs

Business Case and Valuation

EPS

*Driven by category development and simplification initiatives (SKU rationalisation, discontinuation of non-core categories) and one-time costs

FY25 onwards

Expect revenue and EBITDA margin to be similar to FY23*

Low double digits to Mid-teens growth

Mid twenties

Dilutive

Gross valuation of INR 2,825 crore including ~ INR 100 crore of cash

Slump Sale structuring will result in availing tax depreciation on brands, thus reducing cash tax. The NPV of cash tax savings will be ~ INR 400 crore.

Net valuation of ~ INR 2,325 crore implying ~3.75x FY23 sales

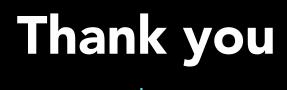

Investing one year cash flow to roughly get 10% India sales

Acquisition to be funded via short-term financing

Expect to be in net cash position by mid FY24
